Tamil, Adventure, Drama, History | UA Select Main Genre Superhero Animation Documentary Action Thriller Horror Sci-Fi Comedy Biography Drama Music Romance Fantasy Family Thriller Adventure Mystery Western Family Short Sports Undiscovered From an early age, orphan Nathan Drake dreamed of traveling the world and going on fantastic adventures in search of hidden things, treasures with his elder brother himself. In trouble for trying to steal the oldest map of the known world, created after Magellan's expedition, Sam tries to hide, leaving Nate alone and lost. Fifteen years later, bartender-turned-bartender Nate is approached by Sally, Sam's mysterious adventurer and friend, who convinces him to embark on a crazy and reckless quest: to recover Magellan's lost treasure... Read more... Top Gun "Maverick" Pete "Maverick" Mitchell is still a "normal" US Air Force officer in his sixties. He had what it takes to be a general, but Mav doesn't care about stars and uniforms, he'd rather be a test pilot and take the hits of the Mach. Retreating to a hangar, amid flashbacks and "fixes," their superiors have called for the fleet to be trained for a risky mission in enemy territory; the dismantling of a secret uranium base. Among the new students is Bradley Bradshaw, Goose's son, friend and co-pilot who was accidentally killed during training in the early years. Their relationship is difficultdemons roar like an F-14 and the mission is fast approaching... Read more... Black Adam Kandak, 2600. B.C. In the fictional proto-story, a bloodthirsty despot ascends the throne and enslaves most of his people in order to obtain Eternium, a mineral with mysterious powers. The goal is to build a demonic crown and gain omnipotence: before that happens, the Guardians of Magic — already seen in Shazam! grant divine powers to the rebellious slave Tet-Adam, who destroyed the king and the entire palace with him. 5,000 years later, Adrianna and her son Amon dig for the crown of Eternium, only to be attacked by the criminal organization Intergang... Read more... Black Panther - Wakanda . A year after the death of the ruler, the various countries of the world are becoming more aggressive, trying to get their hands on the expensive and powerful vibranium, which Wakanda refuses to sell. A new metal deposit may have been discovered at the bottom of the Atlantic Ocean, but the international expedition is destroyed by the mysterious blitz led by a king who can fly: Namor... Read more... Memory Alex is an assassin who feels he is approaching Alzheimer's disease, and his brother, who is now vegetating in a nursing home. He continues to receive contracts even though he would like to retire, but when he discovers that one of his intended victims is a girl, he turns on his instigators, who are quick to take revenge. FBI agent Vincent Serra rescued a little girl from a child prostitution ring, but there isn't enough evidence to find out who was behind the chilling pedophilia scheme... Read more... Thor-Love and Thunder Thor, son of Odin, assumed his form andSerenity in Space, with Guardians of the Galaxy. He learns that Gorr, the killer of the gods, is causing panic on several worlds, one of which is defended by his Asgardian species, Sif. Thor leaves the Rangers and rushes to rescue Sif along with Korg and two giant goats from an alien race, only to discover that Gorr is on his way to a new Asgard on Earth... Read more... Bullet Train Ladybug is an agent of a mysterious organization that trusts him tasks that exceed the limits of legality. He doesn't consider himself a murderer: it's just bad luck that people die in his exploits. This time he will have an easy task: steal a briefcase on the Shinkansen, the bullet train that connects Tokyo and Kyoto. It's a shame that the briefcase is taken care of by a pair of chatty but deadly assassins: Lemon & Tangerine, that's lemon and tangerine. The two are also accompanied by the son of the White Death, a Russian-born crime boss who has taken control of the yakuza faction. But that's not all: a prince is traveling on the train, a seemingly defenseless girl with a Machiavellian plan who blackmails the Japanese Kimura into working with him... Read more... Everywhere at once An old Chinese immigrant becomes a crazy adventure where she alone can save the world , exploring other universes related to the life she could have led... Full article... Doctor Strange in the Multiverse of Madness Stephen Strange has horrific nightmares in which his alter ego runs away with a girl in a surreal scenario. He tries to retrieve the mysterious white paper, but instead the demon wants to possess the girl and steal her transdimensional powers, killing her. When he wakes up, Strange is on his way with another man to his beloved Christine's wedding. The wizard tries to hide his pain with little success and almost luckily the giant monster thatthe same girl manages to get rid of him in a dream. Thus, Strange and Wong meet a new woman: America Chavez, whom they must protect from a hidden threat in the multiverse... More... More...
