This page is out of this coverage scope and does not receive scheduled updates. If you would like to help our coverage scope to grow, consider donating to ballotpedia. Mammoth Lakes is a city in Mono County, California, the One Corporate County Community. It is located 9 miles (14 km) northwest of Mount Morrison, at an altitude of 7,880 feet (2,400 m). From the Census of the United States of 2010, the population was 8,234, reflecting an increase of 1,141 from 7,093 counted in the 2000 census. History The first people inhabiting the neighborhood of gigantic lakes were the Mono people. Evidence declares that there are thousands of years in the area. They settled in the valley, but they walked to other places when negotiating with different tribes. Mammoth Lagos Europic History began in 1877, when four prospectors bet a mineral hill claim, south of the current city, along the old Mammoth road. In 1878, Mammoth Mining Company was organized to my mineral hill, which caused a gold race. At the end of 1878, 1500 people settled in the mining camp called Mammoth City. In 1880, the company had turned off and, in 1886, the population refused less than 10 people. At the beginning of 1900, the city of Mammoth was informally established near Mammoth Creek. The original city economy was based on log and tourism. The first post office in Mammoth Lakes opened in 1923. In 2004, the Mamouth Ski Museum was open in the city. The museum counted on many vintage artifacts, photographs and patches. A film documenting the life of the Founder of the Ski Island (Dave McCoy) and the first famous area skiers are shown. In 2010, photographs taken by Dave McCoy were presented at an exposition in the museum. In 2008, after a judgment of Jurid, the Superior Court of Mono County entered a trial of \$ 43 million against the city of Mammoth Lakes for violation of a development agreement. The California Court of Appeal, Third District, said December 2010, and the Supreme Court of California refused to listen to the appeal on 23 March 2011. On Monday, 2 July 2012, Mammoth Lagos filed for speaking in the face of judgment. . Later in the same year, the speaking was fired as a result of a settlement between the city and its largest lender. Geography "Welcome to Mammoth Lakes, California" according to United States Census The city has a total area of 25.3 square miles (66 km2), of which 24.9â, SQA MI (64A km2) are land, and 0.4A SQA MI (1,019) (1.74%) water . Mammoth Lakes lies at the border of the long Vale Caldera. o Around the city is geologically active, with thermal sources and croolite cults with less than 1000 years of age. Visitors can lead to the city of Mammoth Lakes City 203 to the Mammoth Mountain ski area, on the Minaret's culpula, then for the National Monument of Devils Pumps, with Access to Ansel Adams Desert. The area has natural thermal sources that are sometimes used after skiing. Other features include lakes, a soda springs and an obsidian abab. Mammoth Lakes is north of the Owens Valley, a scenic area with extensive hiking opportunities. The city is surrounded by mountains: in the west, Mammoth Mountain approaches the city, while south, the Sherwin range dominates the view. This mountainous terrain and high altitude make the large area for high altitude attractive training, including among the elite long distance corridors, which live and train in fine air. The city is surrounded by acres of forest and borders with the Ansel Adams and Arms of Wilderness John Muir. The eastern entrance of Yosemite National Park is located 32 miles (51 km) to the north of the city. The city is situated in the southwest, mountainous part of County Mono, California. Climate due to your high elevation, Mammoth Lakes has a dry continental climate of dry summer (K\u00f6ppen dsb), with long and very snowy winters and hot and dry summer. Snowfall is â € â €
