Together with countless millions - including at least The half of those that I follow on Twitter and Facebook ç à,~ "I was riveted at the latest news from Afghanistan in the last ten days, and in particular last end set Timana, not to mention stunned and thus profoundly saddened by the show. One thing that won't, however, is playing the game of Washington / Media Ponte Blame from those who lost Afghanistan. Biden will take the blow, as it should, for the calamito way where the retreat of the United States was executed ... with the perspective of tens of thousands of Afghans who collaborated with Americans over the intertwined years and to the mercy ç del TalibanÀ ç à,~ "But the largest calamity of Afghanistan and the role of the United States there is no on him, and while Afghanistan can be, for part of the opinion of Å © Lite, an indelible stain on its record, it is a doubt that it will influence its work approval rating "not after its forced affirmation Monday" or the electoral prospects of the Democrats in 2022, for the simple reason that the largest American audience is not Takes care of Afghanistan. The Rolling Stone Editor-Head Editor gets right: fuck right away with your PAT responds to blame a party for Afghanistan and exempted the à ç
