Bright & Early Board Books + Mariner Books + Harpers Collins Reading before bed is a cherished time for most parents and we’ve rounded up the best children’s books ever (from classic to obscure but amazing picks) to make it even better. And while, of course, these stories are technically for kids, you’re going to love them too. 1 of 20 'Moomin: The Complete Tove Jansson Comic Strip' Jansson's Moomin series is not well known in the United States, but these whimsical stories are an absolute staple in Sweden. (Guys, there’s a full theme park.) These comics are particularly A+ thanks to Jansson’s charming illustrations. 2 of 20 'Don't let the Pigeon drive the bus!' Mo Willems' pigeon books – about a busy, but adorable, bird who is determined to do great things – are a complete and complete delight for readers of all ages. But don't let the Pigeon Drive bus be the best of the series and it is a joy to read out voice to the little ones. 3 of 20 'The Tree of Dar' If you can walk through the donation tree without crying, we will be really impressed. This story about a young man's friendship with a treeá is one of the most emotional children's books. It is beautiful in its simplicity, and is a great read for people of all ages. 4 of 20 'Strega Nona' Tomie dePaola's classic tale of a woman and her magic batter is amazing for two reasons: 1. It's about pasta, enough said. 2. The drawings are a retro explosion of the past, making it one of the best picture books of all time. 5 of 20 'The Story of Ferdinand' The Story of Ferdinand áan uplifting tale of a bull struggling to belongá is one of those books that you read as a child and remain obsessed as an adult. Which probably explains why so many celebrities have Ferdinand tattoos... look at you, Lena Dunham! 6 of 20 'The Tollbooth' Fantasma Tollbooth was published in 1961 and still remains one of the most imaginative children’s booksIt is a complicated story full of adventure and magic, ideal for elementary school-age readers. 7 of 20 'Malala's Magic Pencil' If you want to get your son a book from a Nobel Peace Prize winner, Malala's magic pencil is a powerful choice. Filled with beautiful illustrations, Malala tells the story of her childhood in Pakistan, where she defied the education of young girls. He doesn't say this is enormously inspiring. 8 of 20 'The Dragon of My Father' My Father's Dragon is the first in an incredible series of three books about a child who goes in a search to rescue a dragon, and knows a lot of wild and wonderful friends along the way. Funny: This is becoming a movie in Netflix in 2021. 9 of 20 'Shrek!' That's right, Shrek, the film is based on a book, and it's funny. The stories are actually quite different, but the book is even better than the movie (as hard as it is to imagine). Consider this an absolute duty to read. 10 of 20 'One day in the life of Marlon Bundo' This sweet and incredibly adorable story is about Mike Pence Marlon Bundo's real-life rabbit and his same sexual relationship with another cute rabbit named Wesley. The book teaches children that love is love, and all income goes to The Trevor Project and AIDS United. 11 of 20 'Are you my mother?' You know this! Are you my mother? is one of those stories that every child reads at some point, and for good reason: It is precious, warming the heart, and teaching children to read the foundations. 12 of 20 'Amos' Boris' What could be better than a book about a mouse becoming BFFs with a whale and an adventure on your back? Nothing, so Amos & Boris is on this list. 13 of 20 'Tacky the Penguin' Tacky the Penguin is one of those dark books that deserve to be on the way more bookstores. We can all see a bit of ourselves in Tacky, a penguin that marches to the rhythm of its own drum andSaving the day thanks to its unique personality. 14 of 'Where wild things are' obviously, the most famous book of Maurice Sendak has to be on this list.
