Do you want your children to understand the power and success that Salah brings to our lives? Do you want your children to understand why we pray, so that they are even more motivated to pray? Do you want your children to love their room even more and look forward to the incredible blessings that lead to our lives? Then this is the book you should give your children. Why should we pray? Why should we wake up so early for the fajr? Why pray every day? How will my salah help me? Why should I pray soon? Do not just tell your children to pray, but strengthen their emaan and love for it, helping them understand "Why" we pray. This book is not like the multitude of great books out there, on the theme "How do we pray" or simply to tell the children they have to pray. Rather, it is a book that deepens the reasons, uses exciting and recognizable anecdotes, engaging stories to help children understand the various benefits that they can draw from prayerPage count: 201Eta: 8-15 Parents can read to children under the age of 7 and help them understand concepts.
