Gameplay: The Walking Dead Season 1 PC Game It is a one hand player Graphic adventure game. It is depended on the Graphic novels designed by Robert Kirkman. Game have its story just similar to the comics. As a player, you should well understand that the characters are mostly original as in the Novels. The walking dead season 1 is not like other graphic adventure games that has puzzling and riddling missions. But this game only accentuates the story and the development of the character. One more feature about this game is that has a game based on the dialogues. The story differs by the selection of dialogues by the players. It has got the third person perspective game with a cinematic penalty camera angles in it. The main character Lee Everett has to team up with some survivors to battle the infected clan of zombies. The player can make use of infantry items and the surroundings. The player has different kinds of weapons to use against his enemies. The animations as well as the visual quality show how well this game has been developed graphically. The Quality Graphics come along with some scary and fantastic sound effects which give this game a life. Overall this game is as horrifying as it is amazing. When you finish this game, with strong and powerful game story: it is the best zombie game.
