What is needed: PaperPenCencilCup or Hatwatchstep 1: Before you start, ask someone who won't play with you to write some famous sayings or parts of songs. Ask the person to write each about a small piece of paper, separated and then fold it.step 2: put these pieces of paper in a cup or a hat. If smaller children are playing, you can write names of animals or objects that can draw instead of songs or sayings.stuep 3: The first player chooses a piece of paper from the cup. Then he or she designs clues on paper so that other players can guess what phrase is. Of course, you can't use letters or numbers - would write, don't draw.Step 4: you'd better be fast on the draw; You only have two minutes to get your point. If someone guesses your word or sentence at that time, get a point. Otherwise, don't get points. In both cases, someone else's turn is the artist.
