The Spectacle Song, "Motu Aur Patlu Ki Jodi", is composed by Sandesh Shandilya and sung by Sukhwinder Singh. [3] It is one of the most popular infantile shows in India. [5] Plot Motu revolves around Motu and Patlu, two friends who live in Furfuri Nagar, [6] and their daily activities. The spectacle focuses on the two landing on problems and covical situations, then being rescued only by pure luck. Samosas are Motu's favorite food, and he often tries to steal them from a local shelter named Chaiwala who makes the best samosas in the city. MOTU is mainly the black sheep of the day, without wanting to create problems due to the incompetence of it while Patlu is the intelligent who always tries to stop him. Among the recurrent characters were Ghasitaram, Dr. Jhatka and Chingum. Ghasitaram occasionally cursed and scams causing them to try the vast repertoire of Dr. Jhatka of Gadgets and peculiar Gizmos. After that Motu eats Samosas, he is temporarily earned more energy and of what you normally have. Motu Patlu Patluin a hut. In the most recent version, they live on a floor called Furfuri Apartment. The main antagonist of the series is a criminal named "John The Don" (very famously known as John) who is accompanied by his two big but weak and dumb sequential, number 1 and number 2 who steal things, steal most of the money and jewellery of people and create havoc in Furfuri Nagar. John pretends to become a Don, but his plans always fail because of the heroic actions of Motu and Patlu, which catch and expose him and his tit plans for TAT. In some episodes, John tries to damage them by stealing Dr's newest gadget, Jhatka and use it against Motu and Patlu, but they eventually managed to give John a taste of his own medicine. In the later episodes, they began to live in the modern city, where some new characters were introduced. Features This section possibly contains original research. (August 2020) (Learn how and when to remove this template message) Motu: Motu is a regordete man who serves as one of the central protagonists of this show. He likes to eat samosas that increase his power drastically, giving him the ability to defeat his normally superior rivals. Samos also increases his speed, strength, vision and intelligence, also allowing it to lift rocks and vehicles. Motu's best friend is Patlu. It often lands in trouble due to its actions. He's always looking for the easiest way to make money, have fun and eat lots of samosas. Sometimes it becomes too expressive, while celebrating its victory and can do something very foolish, like bringing a pirate in the present that they had sent to the past. He is also shown to boast about the things he has never done. He's a man offumour that wants to help others, unfortunately, can be fascinated easily by them, too, especially John. Patlu said once he is not a fool, silly, He is a simple man. Although he is not habil at any work, he tries to work with Patlu as agents, guardians, cleaners, dealers, etc., but creates problems and says goodbye to those companies / organizations in which he worked. A © Ly Patlu. He has baldness on his head but he has hair next to him's ears. He also has a mustache. He carries a red tunic with a blue vest (on his black majority), yellow pajamas and shoes. The talking accent is influenced by Dara Singh. He is represented as extreme fear to mice. In the film, Motu Patlu in Alien World, he was separated from his father when he had 6-7 years. It is believed that his father was kidnapped by extraterrestrials from the Axar planet during his search for extraterrestrial forms of life in the universe. The dialog of it is "Khaali Pet Mere Dimagag Ki Batti Nahi Chalti Tum Hi Kuch Karo!" What it means "You do something, I can not think of a vacuum stomach!" In the most recent episodes, the tunica of it has vertical striped of Maron. Patlu: Patlu is a slim man who serves as one of the central protagonists of the show. However, he is often presented as the most intelligent type of the city, he often gets into many problems with Motu. He does not like sissues but he likes to read the newspapers. It is also believed that the grandfather of him was a boxing champion and he had a recipe to acquire extraordinary strength. This is later discovered to be the case by Motu. He is not strong. He can beat John when he is alone but he is hit by strong criminals or John's thugs, especially number 1. He has a bald head and a braid. He carries a yellow tunic with orange leggings, golden lenses and brown shoes. The dialogs of him are "so!" And "Motu Kuch Karo!" ("Motu, do something!" He says when Motu causes problems.) He's got a new police station on the new episodes. On the European tour he drives a green scooter. Ghasitaram: Ghasitaram is a cowardly person who always claims to have 20 years of experience in various fields, but only some of the experiences are useful for others. It is known as Bengali: it is native to Ghatal located in West Midnapore, West Bengal. Like Dr. Jhatka, his "20-year experiences" often cause problems for other people, especially Motu and Patlu. However, Motu and Patlu ask him for help in certain episodes. He is also Dr. Jhatka's lab assistant. Ghasitaram also helps Dr. Jhatka with experiments and persuade Motu and Patlu to test the inventions Dr. Jhatka. The designer of him is a parallel version of Patlu. He takes a tunic blue cobalt, dhoti purpura, dark brown vest, dark, Same color shoes.
