In our family, everyone likes to brag about how much food we can save on Christmas Day. But when you're a royal, you find you have to put your money where you say it. Yes, as if Christmas at the Queen's estate in Norfolk, Sandringham, wasn't discouraging enough, it's also a strange tradition that every member of the royal family must follow. In 2018, royal expert Ingrid Seward Ingrid told Grace that the Queen asks all her guests, including Kate Middleton and Prince William, to "weigh themselves" when they arrive using a set of antique scales. But all this to make sure the guests are having fun and are well fed. The tradition dates back to the reign of King Edward VII in the early 1900s and applies to all members of the royal clan. While the festivities are undeniably centered around food, the royal family enjoys a turkey dinner and all the toppings before enjoying an afternoon tea accompanied by a "gargantuan ice cake".Queen Elizabeth II participates in the liturgical service on Christmas Day in the Church of St. Mary Magdalene Sandringham, Norfolk. Prior to 2011, Catherine, Duchess of Cambridge, was known simply as Kate Middleton and had no tiara or skirt length rules in her life. While we admire the modern talents of the Duchess, the blocking colours and the elegant reinterpretation of the classic style, before she became Duchess, Kate wore things like the sparkling leopard print and spaghetti straps. Kate gets a job as an accessory buyer for the Jigsaw fashion chain, while the prince joins the elite Royal Military Academy at Sandhurst. Kate makes her public appearance more significant until today when she shows up to watch William graduate as an army officer. This is the greatest clue that has been widely accepted in real circles. April 2007 The disaster strikes when they say the couple split up. Media attention is said to be a factor that contributes, but the breakage does not last long. In June, William and Kate are dating again. Years later, William looks back their time apart as a positive experience. "We were both very young... and we were both defining ourselves as such and being different characters, it was very trying to find our way and we were growing, it was just a little space, things like this and things worked for the best," the prince said in an interview at the time of their engagement. April 2008 Now that they returned together, Kate makes her first appearance in a formal event with the prince in 18 months. She looks at William receiving wings as RAF pilot qualified by Prince of Wales in a ceremony in Cranwell. More importantly, they seem to be seriously loved. June 2010 The couple makes their next big step when moving into a four-bedroom farmhouse in northern Wales together. It's near Prince William's RAF valley in Anglesey and they call it home for the next three years. October 2010 The couple, who have been dating for almost seven years, is spotted at a friend's wedding in Gloucestershire. After the passage to their new Welsh house, speculation around their commitment reaches new heights. Surely a proposal is on the cards now... November 2010 I am ENGAGED!
