Characters and / or events in this article appear in the official media of the franchisebut are not canons to the TV continuity. KONAMI DIGITAL ENTERTAINMENT Ben 10: Alien Force: Vilgax Ben 10 attacks Alien Ultimate: Cosmic Destruction Ben 10: Alien Force: The Rise of Hex is the fifth game in the 10 series of video games, the third game to be based on 10: Alien Force series and the first downloadable game based on the series. It was released in May 26, 2010 on Live Arcade and released on WiiWare on May 31, 2010. Tracing the game begins with Hex and Charmcaster who complying to end the technology of technology and start the age of magic with the help of Ben Tennyson. Meanwhile, while well is joking with Omnitrix, he ends up running away, leaving only Swampfire and Brainstormy available. Gwen then informs him that the hex is planning to take over the world, and that Kevin is missing. Well then goes to various old techadon robot factories. To go through various doors, you need to find some key cards. To overcome the level, you need to find a talisman, which got rid of a magic barrier. Although he receives all the aliens of him, in time to defeat a very large Techadon, which requires aid from some electric cables. After defeating the Techadon, it turns out that Kevin has been exceeded by the Techadon armature. Kevin then warns that Hex is more powerful than ever now, and what time is missing Gwen. Then then passes to a sort of temple, guarded with traps and rock monsters. At one point, he finds Gwen helps cativity with Charmcaster. After it defeats it, you fall unconscious and is automatically transported by magic. Gwen tries to tell him that the hexagon is extremely dangerous now, but it's still a little arrogant. Then he falls through a trap door in some catacombs. Well around the catacombs, full of traps and more rock monsters. He begins to note that Lodestar has a strange effect on talismans. He finds hexagon at the end of the tunnels. It turns out that when you used the talismans, they went to Hex, and I'm what he needs to become powerful enough to end the technology. During the battle, Hex tries to turn on using them. Well then use Lodestar to destroy some. When he destroys all of them, Lodestar sucks the hexagon in one of the talismans. He then turns into Jetray and fly out of the catacombs. Gwen and Kevin assure him that the charm will not be a problem for a while, as you will be blocked looking for a way to free hexagon. It therefore suggests that they go to take smoothies of chocolate asparagus. Alien Garnish Console Boss Techadon Kevin Charmaster Hexagonal Levels Miscellaneous Ã¯ Â »Â¿fabbrieries (1-5) Techadon General (boss 1) Temple (6-10) Charmcaster (boss 2) Catacombe (11-15) Hex (boss 3) Trivia The playable aliens are all the aliens that are well begun with the alien force, with the addition of Lodestar, which replaces Alien X.
