Death is like a wind, always by your side. During the battle, the game will mix some short clips, help you understand more about the plot and discover more mysteries. Compared to Part I, the graphics of Part II are greatly enhanced by the Kakao Games publisher. The player's task is to control the main character to destroy the entire monster, open the mysterious story of the game. Blade 2: GL (Package Name: com.ActionSquare.blade2GL) is developed by ACTION SQUARE CO., LTD. You are the last hope. Another level of action RPG, right in your hands. FEATURES- 4 stylish Classes - Gladiator, Assassin, Wizard, and Fighter- Progress through different regions to fight against multiple bosses- Challenge yourself against endless waves of enemies to win the rarest of gears- Master timing your counter attacks and dodges to beat enemies without getting hit- Compete against your friends on time attacks and PvPPLEASE NOTE! Blade 2: The Return of Evil is on a soft-release. You would think this is a highly configurable PC game rather than merely a mobile game. Hardcore gameplayThe gameplay of Blade II: The Return of Evil is not much different than other role-playing games on mobile. Blade II - The Return of Evil is in the category of Role Playing with the feature Action and Fast-paced, etc. Action gameplay, combined with adventure. I remember, after destroying a giant cow monster, he will let you ride to overcome many doors.Character systemBlade II: The Return of Evil has four main character classes, including Gladiator (Warriors, good resistance, comprehensive attack), Assassin (a beautiful female assassin, fast speed), Wizard (Mage with power, has many powerful skills) and Martial Art Fighter (a great martial arts master). You can check all apps from the developer of Blade II - The Return of Evil. The details in the game are taken care of more completely. The Destiny of Light calls upon you to become the savior of Elysium. Play your role as Gladiator, Assassin, Wizard, and Fighter to avenge the dead and bring an end to the tragedy for good. Not only that, with the collaboration of Action Square, we have the right to hope for an unprecedented game. About Blade II: The Return of EvilThe advantages of this game are still hardcore gameplay, PK continuous non-stop. Each time you attack or develop your skills, you will feel the screen vibrate, creating an attractive and dramatic feel. Beside beautiful graphics, attractive gameplay, lots of fierce battles await you to explore. Your maximum level is 100, so your skills will be very strong. Download Blade II: The Return of Evil APK for AndroidOverall, The Return of the Evil is a high-quality RPG game. Not only that, in this mysterious world, many enemies, monsters and demons are hiding everywhere, ready to kill you at any time. You will be travelling through the barren land. The game is a continuation of the famous game Blade in 2014. Choose a suitable character and be ready to fight. In order to increase your character's power, you also have to equip your armor, weapons, hats, shoes, etc. The evil has returned! Join the fight once and for all! Brace yourself for the ultimate action! The shadow of evil looms over the peaceful realm of Elysium once more. The game takes you to the world of angels and demons, demonic realms, forgotten palaces, or darkened towns. Currently this app is for free. This app can be downloaded on Android 4.4+ on APKFab or Google Play. All APK/APK files on APKFab.com are original and 100% safe with fast download. Fight to survive, and survive to fight. Blade 2 is a fast-paced, responsive action RPG that requires players to learn the patterns of enemies and master the timing of counter attacks and dodges. Still, with role-playing gameplay has become a brand, not knowing what Blade II: The Return of Evil has improved compared to Part I? High-quality graphicsThe first thing that I must mention when experiencing Blade II: The Return of Evil is the graphics. Also, you can upgrade skills when you level up, and the latest version of Blade II - The Return of Evil 2.0.0.0 was updated on March 25, 2019.
