PS3 / PS4 - dial 1-999-398-4628 xbox One / xbox 360 - dial 1-999-398-4628 pc - pc - extinct mobile phone - 1-999-398-4628 gta 5 has brought some new ways to enter The tricks, at the top of the good codes of the antiquated controller buttons. On the consoles, you can enter those controller codes or, alternatively, whip the in-game mobile phone to compose a number that activates the trick instead. On PC, you can do one of the things and also use the console commands: the commands are actually the words explained by phone numbers, which is a nice touch (giving you things like 1-999-lawyer). Here is a rapid Rundown of how to insert the tricks on each platform. How to insert the tricks in GTA 5 on PS4, Xbox One, PC, XBOX 360 and PS3 PS4 and PS3 - Follow the buttons of the buttons in the following tables on the controller or press UP to display the mobile number and call the respectful number. Xbox One and Xbox 360 - Follow the buttons of the buttons in the following tables on the controller or press UP to display the mobile phone and call the respectful number. PC - Follow the buttons of the buttons in the following tables on the controller or press the UP key to display the mobile phone and call the respective number or press the left key of 1 on the keyboard (â¬ in the UK or ~ on an US keyboard) To use console commands. Remember to use all uppercase letters and press send when it was done. The mobile phone in action in action. There is a decent range of tricks available for GTA 5 players, but it is worth noting that some classics is missing - there is no way to create a tank for example, in addition to an official money trick (despite what Many people will tell you); There is only a trick for weapons, unlike the two GTA 4 Focused on the weapon for example, and there is only a short list of vehicles on which you can get your hands. Otherwise, there a couple of final things to keep in mind: First of all, you will not be able to unlock results or trophies or get something other than a bronze evaluation on missions, in a session in which the tricks have been activated. Secondly, all these tricks are only only offline - the tricks are disabled in GTA online, due to the rather evident interrupted effect interrupted Otherwise they have! You can also use mobile phone numbers - listed in the following tables next to the cheat codes - to enter the same tricks if you prefer. To do this, just bring the phone and dial the number listed next to the trick you are looking for. Ps3 and ps4 gta cheats and cheat codes: gta 5 cheat nameefefectsps3 / ps4 cheat cheat codecell phone cheat code dbunkenness increases your drunkenness, making you clumsy. In the Event 1-999-398-46281-999-398-46281-99-398-46281-99-398-46281-499-398-46281-99-398-46281-99-398-46281-99-398 -46281-499-398-46281-999-398-46288, as indicated above, the tricks on the PC work a little differently from their counterparts on the consoles. You can still use a controller to insert them - we used the names of the Xbox buttons below, as it is the most popular choice of the Gamepad PC - but otherwise the main ways to insert them are via the in-game mobile phone (again , Porto Up In-game and dial numbers below the following to use tricks) or alternatively you can use console commands. To open the console commands in GTA, press the "~" button on the US keyboards, or the "Â ¢ â¬" key on the UK keyboard (whatever the top left side of the keyboard, under the Esc key and to the left of 1). Then simply type the corresponding command, as it appears (therefore, in uppercase capital letters) in the following table, and press Enter to activate Cheat.gta 5 Cheat tricks 5 Cheat and Cheat Codes on PC: GTA 5 Cheat Nameffectpc Cheat Codecell Choat Choat Code Change Phone Model and cause random explosion1-999-367-3767nononnoldrunkenness1-999-547867liquicory, right, right, left, right, x, b, left swimming pool1-999-46844557gotgillsleft, left, lb, right, right, rt, to the left, lt, right sprinting1-999-228-2463catchmey, left, right, right, lt, lb, xmax health and armour1-999-887-853tleb, lb, y, rt, a, x, b, right, x , Lb, lb, lbsuper jump1-999-467-8648hoptoitleft, left, y, y, right, right, left, right, x, rb, rtintincnessity 1-999-724-6545537painkillherright, a, right, to the left, a Right RB on the right, to the left, A, Special Ability YRECHARGE1-999-769-3787Powerupa, A, X, RB, LB, A, Right, Left, Aslow-Motion Aiming1-9 99-332-3393deadeyex, lt, rb, y, left, x, lt, right, agent parachute1-999-759-3483skydiveleft, right, lb, lt, rb, rt, rt, le ft, left, right, lbskyfall1 -999-759-3255skyfallyfalblb, lt, rb, rt, left, right, left, right, lb, lt, rb, rt, left, right, left, rightraise desired level1-999-384- 48483fugitiveerb, rb, B, RT, Left, Right, Left, Right, Left, Rightlower Wanted Level1-999-529-93787Lawyeruprb, RB, B, RT, Right, Left, Right, Left, Right, Liftive Weapons and Ammo1-999 -866-5877Toolupy , Rt, left, lb, a, right, y, down, x, lb, lb, lb, lb, lb, lb, lb, lb, lbexplosive melee attacks1-999-468-42637hothandsright, on the left, a, y, rb, b, b, b, ltexplosive rounds1-999-444-439highexright, x, a, left, rb, rt, left, right, right, lb, lb, lb, lbflame rounds1-999-4623- 634279Incendiarylb, RB, X, RB, to the left, RT, RB, on the left, X, LB, LBCHANGE WEATHER1-999-625-348-7246MakeItrainRT, A, LB, LB, LT, LT, LT, Xchange Gravity1-999-356-2837Floaterleft, Left, LB, RB, LB, Right, Left, LB, Leftreduce Friction1 -999-766-9329Snowdayy, rb, rb, left, rb, lb, rt, lbslow motion1-999-756-966slowmoy, left, right, right, x, rt, rbcaddy vehicle1-999-4653- 461holein1b, lb, a Left, RB, LT, A, RB, LB, B, Acomet Vehicle1-999-266-38Cometers, B, RT, Right, LB, LT, A, X, RBrapid GT Vehicle1-999-727-4348Rapidgtrt, LB , B, right, lb, rb, right, left, b, rstrich limo vehicle vehicle1-999-846-39663vinewoodrt, right, lt, left, left, rb, lb, b, doubling truck vehicles1-999-872-7433trasheddb, RB, B, RB, RB, Left, RB, LB, B, RightBMX Bike1-999-226-348BanditLeft, Left, Right, Right, Left, Right, X, B, Y, RB, RTKAbatsu Sanches1-999-633-7623OffrooyBroadb, A, LB, B, B, lb, b, rb, rt, lt, lb, lb, lbshitzu pcj 6001-999-762-535rocockertb, right, left, right, rt, left, right, x, right, lt, lb, lb, lbbuzzard helicopter1 \ t -999-289 -9633buzzoffb, b, lb, b, b, b, lb, lt, b, b, b, lb, lt, rb, y, b, b, yduster1-999-359-77729flysprayright, on the left, RB RB RB on the left, Y, Y, A, B, LB, LBstunt Plane1-999-227-678-676Barnstormb, Right, LB, LT, Left, RB, LB, LB, Left, Left AT, A, YDUKE O'DEATH CAR1-999-332-84227DathCarn / akraken sub1-999- 282-2537BUBLEN / ADODO AIRPLANE1-999-398-4628EXTINTN / A For more Cheat Rockstar guides on Eurogamer, take a look at Our pages on GTA 5 Cheats, Red Dead Redemption 2 Cheats, GTA 4 Cheats, GTA San Andreas Cheats, GTA Vice San Andreas, GTA San Andreas Tricks of the city, Tricks GTA 3, and also how to make GTA 5 money quickly. rapid.
