But the recent research on the good oliva á "e" q appeared even more a treasure not discovered ... Á Ę á Ę ~ á Ę Ę © the right, Stanley Hudson (also known as Leslie David Baker) is a former students from Loyola Chicago. Leslie has a b.s in psychology and before becoming a fan favorite in the TV Hit program - the office - he used to work as a teacher. So guess what, the sister Jean, I officially decided to give you the boot as a biker of morale and now gave the honor of one of the most positives, extroverted and all guys, Stanley Hudson: á Ę " Hey, sister Jean! á Ę Ę á Ę á Ę Ę | in his wheelchair, looking like Rambler, sweeps the nation. However, she is not the perfect call called á Ę " ~ "Mascot! á Ę ~ to this team. While she It has been very extroverted with the media about your explosion in college basketball scene, it has no more to offer than the screen time or post-game for CBS / TBS / WHOEVER HOLDS has these games . Our stanley face, on the other hand, is a sweating knife of morale, skill and effort. He would make a better leader, motivational speaker, and cross the sister Jean in another time spindle. Here is Some examples are BRE WHY STANLEY IS TAKING THE SIBRIZE JEAN FEATURES: 1. Stanley has basketball experience in an episode titled "Basketball", office members and shipping department play a pick-up basketball game. And boy, oh boy makes Stanley spread his wings and flies. It is almost Michael Jordan on the spacing gel, but with more than one father and less of the skill. After the study of additional films, we discovered the real "Handling" and "Skills" that Stanley has. If this was NBA 2K, it would be a 99 OVR and running from defense up and down the cut. Steph Curry Who? The player in the team can get the practical lessons and improve the general offensive style with Stanley training them. A true PG and a first passage, never shoot mentality. 2. He has the Á Ę á Ę ø burning anger Á Ę accumulated in as a moral leader, you must have the passion inside you. Stanley is a very quiet guy, but after pushing many buttons, he will explode. This is what Loyola Chicago needs: a passionate and extroverted leader that will say what needs to be said and do not take anything from anyone, unlike the sister's sister and quiet Jean. In addition, Stanley has the appearance of an intimidating guy and can attack the fear in the eyes of the adversary. 3. Short-term memory "What do you mean by the short-term memory? Well, as a coach, player or moral leader, you need to have this trait. Meanwhile does not mean having a real short memory term, this implies that if you have a bad half of basketball or let the other team go in a race from 15 to 0, you can bring your team back and forget about what happened. Stanley does not worry about anything and Do not pay enough attention to maintain more information in addition to your puzzles, sister Jean seems to be the type of gal that would bring a loss of conference from the 1942 season and memorize the zones Ran and colorful uniforms á Ę á Ę á Ę øHe ~ Á "eHIP and play Á á Ę á Ę "1 with this generation, meanwhile nAJA ± exactly stanley, we will still archive this due to complete insanity and be frank , Leslie launched this music in what appears to be Struggling to fight a middle-aged crisis and try to reach this generation. He preaches from all the senses and there is absolutely zero wrong things with that. The sister Jean, the way to stay Á á Ę ~ Á "Crunk Á á Ę " and ~ á Ę" AJA Á á Ę " And getting up to 20h to observe the Wheel of Fortune. Sidenote: As this music passed unnoticed in 2011. Straight Fire !! Banger alert !! 5. He has the Pitino Rick Á Ę á Ę "Bag falling á Ę ~ Look K Need a new face bag and I got the perfect candidate make the call k pic.twitter.com/69njgbqj Á Ę á Ę 27 Mará From 2018 I mean, "e Mon, they do not teach more style like that. White suits are the dormers of the men's suit game, and they can only be withdrawn by legends. The great player player does great things. Meanwhile, the brother Jean uses a letterman jacket that I would bet that my student dance was not washed easily 20 years and also shakes some quite questionable shoes á Ę . Here are them, the brothers in the Loyola Capelão feet of -Chicago team, 98-year-old brother , Jean Delores Schmidt. pic.twitter.com/qb9ilrogiv Á Ę á Ę "Darren Rovl (@darravell) March 24, 2018, the sister Jean will descend as a legend of the march mothers. While she can sit behind S of St. Paddy and training Spring, she was a beautiful, very good. But in my perfect world, we have Stanley as our own moral leader. In addition, you can imagine Stanley's face looking so much. The lively for a Loyola Chicago national championship like him for the pretzel day? It would be invaluable ... Stanley, the office, basketball, LOL LOL
