Chapter 20 summary things fall apart

Learn words with Rewordify.com. From frustration... to understanding Soon you will speak more eloquently than a greater number of contemporary problems content because of your erudition. Soon you will talk more beautifully about more popular topics due to your (knowing fascinating). Rewordify.com simplifies hard English. Enter hard sentences (or whole chapters) in the yellow box at the top of the page. (You can also insert a URL of the website.) Click Rewordify Text and you will instantly see a simpler version for a quick understanding. The reformed words are highlighted: click on them to listen and learn the most difficult original word. You can change the way the highlighter works to match the way you learn! You don't like dictionaries because they're confused and uncomfortable? You'll love Rewordify. clear and easy to understand definitions change to match the original word or word phrase part, tense verb, and singular/plural form, so they make sense. Our amazing Rewordifying Engine is what makes everything possible, and no other website has it. Want to see something now? Click Classic Literature on top and start reading—easier. Read better tomorrow. Find out more words faster. Our exclusive learning sessions actively teach you words so you can learn them. Whenever you paste into a text block, our software finds all the hard words, it allows you to choose which ones you want to learn, and then teaches them in a learning session. A The learning session is not an online quiz; is an effective process, step by step where you hear words and phrases, type them and hear them. The software re-tasks exactly what you need when you need it, and moves forward when you're ready. When you learned a word, the site stops "rewording" this, the site grows with you as you learn! Learn more about learning sessions. Learn your way. sample phrase: "I used to satiate and eschew perusing English." Style: Reword; click to see original I hated and avoided reading carefullyClick/tap on highlighting style: Do not re-start; click to view the definition I used to satiate and to avoid English. Click/tap on highlighting style: Inline I used to satiate [hate] and eschew [avoid] perusing [certainly reading] English. Style: Two columns I used to satiate and to avoid English. I hated and avoided reading English carefully. Learn the way you want, from what you want to read. You can change the way the site works to adapt to the learning style as you read and learn from almost any text passage or web page. (The demo text in the box here never changes.) Map your progress and have fun. You can track your learning with a lot of detailed charts showing how you're doing.
