## Nordyne heat pump manual

Ovens to gÅ¼s - Blower and © For the MGHA and MMHA ©, Models -05 only, and Sã©rie ovens M1 The p/n 903092A 2 wires and p/n 902898A Heat pump A/C (4 © to 7 wires) Glass boxes installed with models M1, MGHA and MMHA of nordyne gas ovens with the new standard blower set. The 2©wire Grinding© Box has control switches that are operated through an opening in the oven door in the MGHA and MMHA ovens. Carefully read all the instructions before starting the installation. The drawings or drawings are subject to change or discontinuity without prior notice© and without incurring obligations. WARNING: ! Improper installation can damage the equipment, can create a danger and nullify the war - snotty. Thermostat Blower Screws Installed in the Field Wire Oven Control Box of the Oven Wire Thermostat Figure 1. MGHA and MMHA Series Gas Furnace These instructions are primarily intended to help qualified individuals experienced in the proper installation of heating and/or air conditioning appliances. Some local code requires licensed installation/service personnel for this type of equipment. Carefully read all the instructions before you start the installation. IMPORTANT INFORMATION Insert additional identification plate (in older models) Decorative Identification Plate Insert Identification Plate of the Blower Control Door DANGER: ! Cut the electric feed of the oven into the home circuit breaker box© to avoid electric©©ctric shock that could cause personal injury. M1\* Oven If your home has a central cooling and/or heating system delivered through ducts and air outs (i.e. air forced), consider the following: Proper sizing Install the right © size for your home is© essential for best performance and comfort. Larger is not © better when buying new heating and cooling equipment. In fact, a system great will not keep your yours Comfortable because of frequency cycling on / off. Make sure your contractor check the suitable size for your home using a tool called "Manual J." The greater efficiency equipment with variable speed compressors à € à €
