Product Overview

Product Overview

Usability

- Innovative ACL Wizard:** Complete step-by-step configuration of even the most complicated Access Control List (ACL) settings in a straightforward and simple manner
- Firewall-like ACL:** With all new ACL rule and more intuitive setup, the firewall-like ACL enables easy and flexible ACL field assignment just like that of any firewall.
- Friendly Tips:** the ability to add an "example" and description on each page helps to remind users the correct setup.

Dgs-1210-28 configuration guide. Dgs-1210-28 specifications. Dgs-1210-28 ip address.
