K565 2000 Dad Dad Dad is a 1997 book written by Robert Kiyosaki and Sharon Lechter. It evokes the importance of financial alphabetization (financial education), financial independence and building wealth through investment in activities, investing real estate, starting and possess commercial activities, as well as growing its financial information (qi financial). Rich Dad Poor dad is written in the style of a series of parables, apparently based on Kiyosaki's life. [1] The owner "Rich Dad" is the father of his friend who has accumulated wealth due to the entrepreneurship and the expert investment, while the "poor dad" is claimed to be the father of Kiyosaki who says he worked Durably all his life but he never obtained financial security. No one has ever documented any vast reserve of wealth gained from Kiyosaki before the publication of Power Dad Dad Rich Dad in 1997. [2] The praise of the reception and the DAD DAD DAD DAD support has sold over 32 million copies [3] in addition 51 languages in over 109 countries, have been on the list of New York Times bestsellers for over six years, [4] launched a series of books and related products: And he received positive reviews from some critics. [5] American Talk Show Host and Media Mogul Oprah Winfrey approved the book on her show. Another celebrity supporter is actor Smith, who said he taught his son on financial responsibility reading the book. [6] PBS Public Television Station Koce, sent a 55 minute presentation of Kiyosaki entitled "A rich guide" in 2006, which essentially supports his rich poor pap tree from father. PBS has also honored him with an excellence in the Prize for Education in 2005. [7] Donald Trump did a literary collaboration with Kiyosaki in 2006, called the reason why we want you to be rich, two men a message and A second book called Midas Touch: because some entrepreneurs become rich - and because most of it is not in 2011. [8] American Fashion Entrepreneur and Investor Daymond John called the book one of his favorites. [9] Criticism John T. Reed, a critic of Robert Kiyosaki, says, "rich dad, poor dad contains a lot of advice, a bad advice, and practically no good advice". He also states: "rich dad, poor father is one of the most stupid financial consulting books that he has ever read. Contains many factual mistakes and numerous extremely unlikely accounts of events that presumably occurred." [10] Kiyosaki has provided a refutation to some of Reed statements. [11] The Ardesia Rob Walker reviewer called the book full of nonsense, and stated that Kiyosaki's statements were often vague, the "Fablelike" narrative, and that much of the book was "self-help boiler", Noting the predictable common features of such books in rich dad, poor dad. He also criticizes Kiyosaki's conclusions on Americans, American culture and Kiyosaki's methods. [1] Publication of success The book was originally self-published in 1997 before being commercially taken to become a Bestseller of New York Times. Since then he has sold over 32 million copies and becomes a family name. [12] In Audio-book chooses to be rich, Kiyosaki said that every publisher refused him, and Barnes & Noble refused to understand the book initially. Put your attention to talk shows and radio show appearances, of which Oprah Winfrey's show had the biggest influence on book sales. [13] In April 2017 a 20th anniversary edition was published and in a preface at this 20th anniversary Edition Kiyosaki states that it is estimated that about 40 million copies of the book had been globally. Rich Dad poor father is based mainly on young days of Kiyosaki spent in Hawaii. Enriched by the personal experience of Kiyosaki and the teachings he received from his rich dad and the poor dad, the book Several attitudes to money, work and life. Framed about six teachings and main lessons, the book is mostly a self-reflection. Apart from the financial benefits, the book also describes and highlights the teachings he has obtained from his poor father, that is, empathy and responsibility towards the company. Described as a personal finance book, not only challenged, but has also changed the way people think of money. The book speaks of the background of Kiyosaki, his own Ventures and investments and variation between possessions and passivities and what importance both have in terms of departure and possess a company. He also lowers the light on the teachings given by rich to their children, which is usually lacking by poor and medium class parents and because it is important to have financial literacy above and above all. It also provides imeated work for learning and not to earn and teach the importance of investing and build business. This book of paths also shows how to be willing to act and risk and communicate the idea of how the primary residence is a responsibility and not good. Communicates the importance of intelligence and alphabetization in terms of finance and as financial and entrepreneurial skills play a vital role in success. How to use power and prosper with the help of investment capacities and why it is important to possess investment capabilities even in clear and crunchy words in this book. The book also speaks of the importance of the investment and the free company and urges potential investors and businessmen to learn from others, especially from the rich and generate new ideas to excel and succeed in life.
