**Writing Subtraction Sentences**

Circle the equation that describes the picture and write the answer.

27 - 5 =  22  
 6 + 18 =  24  
 27 - 14 =  13

32 - 4 =  28  
 4 - 12 =  8  
 32 - 9 =  23

22 - 5 =  17  
 12 - 8 =  4  
 20 - 4 =  16

$A = 3.14\text{cm}$   
 $B = 5.6\text{cm}$

$C = 6.1\text{cm}$

Volume =  $\frac{A^2 C}{4}$

Volume =  $\frac{3.14^2 \cdot 5.6 \cdot 6.1}{4}$

Volume = 90ml

## EL ABC DE LAS MÁQUINAS ELÉCTRICAS II. MOTORES DE CORRIENTE ALTERNA

Differential Equations, Sequences and Series, and Parametric Equations and Polar Coordinates. which means you are free to use and adapt, but not for commercial purposes. Changes you need to be shared using this license. Click for more information Rufus P. Turner was an estimated electronics writer, electricity, photovoltaia and many other popular scientific issues. His wide applied mathematics vision allowed him to avoid the delicate, gnÀmic and desperate characteristic language characteristic of most mathematics teachers and mathematics writers. If only other technical writers had followed their footsteps, anoint, trigonometry, geometry, analytical geometry, as well as calculation, can be a pleasure for the medical reader to learn, rather than torture that is now frequently. Imagine what such typical writers seduces like Phillip's ball, Dava Sobel, Gina Kolata, or John McPhee can do with the teaching or currency of university mathematics if they put their minds for it. Mathematics books may even become better sellers! Since Turner "ABC's of Calculus" is out of impression and rarely to be found even in specialty stores, readers may consider some alternatives. Kuen Lee adopts a pleasant approach to work in his "calculation: a step-by-step approach," Vols 1 and 2, and Annette Sinclair receives the subject directly in his "calculation highlights." Despite his title, more than one adult read the "Celle and on the young people of Donald Cohen" with profit and pleasure. Perhaps the most accessible long column text is the "Celle: New Horizons" of Howard Anton. If Rufus Turner was writing his "Abc's of Calculus" today, he would probably include a software program as "Mathpert Calculus" or Whiz "to make life even easier for students. Introductory Celle Text to be placed next to Rufus Turner. Eli. Eli. "How to Enjoy Calculus", unfortunately also © I am out of catalog, although not so hard t o find as Turner's admirable text. Ace writers so © Technics of the world, where are they? Start writing more books like these for us and for our children at school, so we can embrace mathematics without pain. Can You Chip In?The Internet Archive is growing faster than ever before, and we need your help. As an independent non-profit organization, we build and maintain all our own systems, but we do not charge for access, we sell user information, or manage dwarfs, instead we are fed by donations that cost in hand © day 300s. Unfortunately, less than a hundred of our patrons donate. We do not ask often, but at this time, we have a 2-to-1 Offering Campaign, tripling the impact of each donation. If each of our users of this only third door, we can finish this hocje fundraiser, if you think that all these parts and bytes are, please participate. Brewster Kahle, Founder, Internet Archives
