It's a small normal grassy.á € Arthur Pendragon (often called Wart or King Arthur) is the protagonist of the Animated Movie Disney's 1963, The Sword in the Stone. He is an orphan boy who becomes King of England thanks to his ability to pull a legendary sword From a stone. The Knight Sir Etk found Artá when he was a child and took it. Although Etters cares for the boy to a measure, he still tends to favor son of him, Kay, and therefore raises artá more strictly, and Kay is a constant torment for her adopted brother. Almost everyone calls him Wart rather than the birth name of him, Arthur. In fact, the real name of him is rarely mentioned throughout the film (and the surname of him, Pendragon, not at all) once from Wart himself, and more late when it is revealed as the right king of England. The physical appearance Arthur is a 12-year orphan boy with long blond hair. The clothing of him signs is a brown shirt, tanning leggings and brown shoes Personality Arthur is embarrassing and flamboyant, but also friendly and kind. He has a rich imagination and dreams of becoming a knight and having adventures, like riding white stallions and kill dragons, griffins and giants eat-man. However, since it's an orphan, he knows that the most hope it is to become a squid for his adoptive brother, Sir Kay. He has a universally good heart and rapidly comes to trust Merlin, even if he (understandably) he hesitates to do it at the beginning. He is also a perdonator, as it has no sick will against Archimede despite having found the very annoying owl, and as Sir Ector please forgive him to be an abusive parent and Arthur answers praying not to pursue the subject. I await the sword in Wart Stone accompanies the adoptive brother Kay, on a hunting trip. After accidentally distracted Kay, Wart goes to retrieve Kay's lost arrow and ends up in Merlin's house, a powerful magician. While having fun with Merlin, Merlin speaks with wart of the value of an education and nominates as a Wart guardian. WART Return Sir Ector castle with Merlin and is sent to the kitchen as punishmentworrying Sir Ector. Sir Pollino, Sir Ector's friend, arrives with a news of a tournament, with the English crown as a prize. Sir Etk decides that Kay can be a knight in time to participate. Elder also appoints the Wart as a future Kay Squire for the tournament, which will be held in London. The next day, Wart accompanies Merlin in him's first lesson. Merlino transforms them both into fish and at the beginning, everything goes smoothly. Wart is soon chased by a great Pike and manages to overcome the pike at the beginning. Fortunately, Wart is saved by the Owl of Merlin Archimedes. The adventure teaches WART the value of the brain over the Brawn. When Wart regrets, he rushes into the kitchen, where Ector gives him 6 demeritors; 3 To be late, and 3 after telling the true story of him. Later, Wart is forced to clean an entire kitchen due to the punishment of him. Merlin enchants the dishes to wash and slut wart out for another lesson. This time, the lesson concerns gravity and (in an unexpected blow) male-female relationships; For this lesson, Wart turns into a squirrel and meets with a female squirrel, who wants him as a companion. While Wart tries to escape the loving squirrel, he is endanger to be eaten by a wolf. Wart is saved thanks to the female squirrel, but it is then transformed into a human boy. Although he tries to explain, the female squirrel is broken of heart. At the castle, Sir Etk starts to reproach Merlin for using what he believes to be black magic in the kitchen. Wart tries to defend Merlin, but Elder accumulates more demerits on the boy and finally punishes him by calling her possibilities to travel to London and making a bridegaul invisible boy, Hobbs, Kay's slave instead of Wart. Merlin sees the disappointment of Wart and apologizes, but note that Wart could still do something about himself through an education. Merlin takes time to explain different concepts on how the world works, but Wart becomes so confused that Archimedes takes control of Wart education. After discovering that Wart is illiterate, Archimedes teaches the wart to read and write. During a pause, Merlin takes the time to demonstrate a model plane. Even if the demonstration does not work, Wart is still impressed and tells her dream of flying in Merlin. While Wart is speaking, Merlin turns it into a sparrow. Wart then comes out flying with Archimedes. The flight is good at the beginning, as the Wart proves to be a natural flight but, during the flight, Wart is chased by a hawk and, on the run, ends up falling through Madam Mim's fireplace, Merlin's enemy. Although Madam Mim tries to show Wart that the magic of him, who is self-servant, is better than that of Merlin, wart disagreements and so Madam Mim turns into a cat and tries to eat the wart. The Merlin student is saved by Merlin and Wart, he then observed the Wizard's Duel between the two magicians. As a result, Wart learns the value of knowledge and wisdom aswon by mim outsmarting, Arthur as a shielder. At Christmas time, the wart is restored while Kay's Squire out of necessity (as Hobbs had descended with parotis). The wart is happy, as you feel is its only opportunity to advance. Merlin is angry that the wart still prefers war games on education and therefore the magician teleport (involuntarily enough) to the 20th century Bermuda. On the New Year's Day, Wart accompanies SIR ECTOCTORE and a kay recently knights in the tournament. Everything is going smoothly when the wart realizes that it has forgotten Kay's sword at the Inn. In an attempt to find a replacement, Wart pulls a magic sword from a stone that was in an old cemetery. When the wart carries the sword, it is immediately recognized as the legendary sword in the stone, which should be dragged by the right king of England. All the tournament Force Wart knights to repeat the process, but before it can do so, Kay, Sir Ector and some other knights try to extract it, under the reasoning that anyone can pull it a 2nd time (which is proved to be false). Pelinore and a knight named Sir Bart stop the other knights and allow the wart to pull the sword. He does it successfully, and all the archives as the new king of England. Sir Ector takes the opportunity to ask Wart for forgiveness, that the wart feels is not necessary. The crowd asks the name of the boy, and Sir Ector call the boy's wart almost before correcting himself and calling the boy Arthur for the first time. King Arthur. Time passes and warts, now crowned King Arthur, feels unprepared for the responsibility of governing a country. With Archimede's assistance, he tries to escape, but every exit is blocked by crowds tifando. Merlin then unexpectedly returns from Bermuda and is pleased to see that the wart is now King Arthur and tells how the boy will become the boy in the future.
