I would suggest each student chooses the books based on their level of preparation and understanding. For the Network only Jee you don't need to go for books more than necert and your notes. For advanced chemical jee there are many names like Peter Atkins, JD Lee, Sykes Peter, etc. Books are removed from here because of the copyright strike, but sure you can find in our channel telegram whose connection is https://t.me/iitjeeslides1 or other you can look for iitjeeslide1 the telegram to find our channel, iitjeeslides1 If you are preparing for cards then necert is enough. For Jee main organic and inorganic necert chemistry is sufficient, but for physics, you can refer to other books, such as physical chemical GRB, level of one of the N Avasthi, etc. early Jee, you can refer to Chemistry Cengage From KS Verma but he discussed many concepts that Don't seem relevant. If you can try yourself then decide, but personally, I was not very fond of this book as it is a lot that takes time. It is also possible to try other books over KS Verma Cengage Chemistry: - Physical chemistry for inorganic chemistry: - NCCertVK Jaiswalk Kumarjd Lee Organic Chemistry: - NCerrthimanshu Pandeyms. Chauhansolomons and Fryhlepeter Sykessn Sanyal in favor of KS Chemical Verma have a wide range of questions for the practice with detailed solutionhave than sufficient number of examples solved in every Chapterno concepts left intact (all concepts are correctly explained with examples) series of questions I am from the basic one to problems in advance as a subjectivebased on the model asked in advance Jee as it includes matrix match, the statement, etcpast years a question are also included, but also provide DPP against KS chemical verma in terms of time a lot of examples are thereyou can find a mistake of concepts and questions alusonon questions are very high, so it's difficult to find a good question, many things are out of the program so you need to be aware by referring to the chemical cengage download in pdf indicated below ks physical verma chemistrydownloads inorganic chemistry verma Downloads KS Verma Organic ChemistryDownloadCengage Chemistry Books for T-Jee Books are removed from here because of the copyright strike, but sure you can find in our channel telegram whose link is or You can search iitjeeslide on the telegram to find our HTTPS channel: slides//Telegram.im/@iitjeeslides1 Jee responsibility does not have any materials published on this website.
