ID: com.kimcy929.screenrecorder Author: Kimcy929 Version: 1.2.3.4 Update on: 2020-05-10 Facebook Browser DO NOT support download. Click to open Chrome Browser. Warranty safe installation, no addition ads or malware How to install APK Storage: Read the contents of your usb storage: • Allows the app to read the contents of your USB storage. Modify or delete the contents of your usb storage: • Allows the app to write to the USB storage.. Camera: Take pictures and videos: • Allows the app to take pictures and videos with the camera. This permission allows the app to use the camera at any time without your confirmation.. Microphone: Record audio: • Allows the app to record audio with the microphone. This permission allows the app to record audio at any time without your confirmation.. Network: View network connections: • Allows the app to view information about network connections such as which networks exist and are connected.. Full network access: • Allows the app to create network sockets and use custom network protocols. The browser and other applications provide means to send data to the internet, so this permission is not required to send data to the internet.. Receive data from internet: • Allows apps to accept cloud to device messages sent by the app's service. Using this service will incur data usage. Malicious apps could cause excess data usage.. App information: Run at startup: • Allows the app to have itself started as soon as the system has finished booting. This can make it take longer to start the device and allow the app to slow down the overall device by always running.. Display: Draw over other apps: • Allows the app to draw on top of other applications or parts of the user interface. They may interfere with your use of the interface in any application, or change what you think you are seeing in other applications.. Effects on battery life: Prevent device from sleeping: • Allows the app to prevent the device from going to sleep.. System tools: Modify system settings: • Allows the app to modify the system's settings data. Malicious apps may corrupt your system's configuration.. Category Tools Get it on: Requirements: Android 6.0+ Version 1.2.3.4 for Android 6.0+ Update on 2020-05-10 File size 4.476.212 bytes Permissions view permissions What's new App improvements 1.
