Invesco asia opportunities equity fund fact sheet

Largest invesco etfs. Best invesco etf funds. Invesco fund facts.

The information contained herein: (1) is proprietary to Morningstar and/or its content providers; (2) may not be copied or distributed; and (3) is not warranted to be accurate, complete or timely. Any prospectus you view on this page has not been approved by FT and FT is not responsible for the content of the prospectus. The information made available to you does not constitute the giving of investment advice or an offer to sell or the solicitation of an offer to buy any security of any enterprise in any jurisdiction. All Rights Reserved. Past performance is no guarantee of future results. Pricing for ETFs is the latest price and not "real time". FT is not responsible for any use of content by you outside its scope as stated in the FT Terms & Conditions. Past performance is not necessarily a guide to future performance; unit prices may fall as well as rise. The videos and white papers displayed on this page have not been devised by The Financial Times Limited ("FT"). Neither Morningstar nor its content providers are responsible for any damages or losses arising from any use of this information. 2022 All Rights reserved © 2022 Morningstar. The performance data shown in tables and graphs on this page is calculated in GBX of the fund/index/average (as applicable), on a Bid To Bid / Nav to Nav basis, with gross dividends re-invested on ex-dividend date. This site is not available to U.S. persons and is not intended as an offering to any US investors. I confirm that I am an institutional investor in Switzerland and that I classify as a qualified investor under CISA. FT has not selected, modified or otherwise exercised control over the content of the videos or white papers prior to their transmission, or their receipt by you. The Fund shall invest primarily in equity or equity-related securities issued by companies with their registered office in an Asian country or with their registered office outside of Asia but carrying out their business activities predominantly in Asia or holding companies, the interests of which are predominantly invested in companies with their registered office in an Asian country. The Fund aims to provide long-term capital growth from a diversified portfolio of investments in Asian companies, with the potential for growth, including investments in small to mediumsized companies with a market capitalisation of less than USD 1 billion. Share price information may be rounded up/down and therefore not entirely accurate. The videos, white papers and other documents displayed on this page are paid promotional materials provided by the fund company.
