Crime Incident Report Form

This form should be completed by those individuals identified as "campus security authorities" who are required to report information they receive about specified crimes (described below) pursuant to the federal Clery Act. The information collected from these forms will be used to prepare a compilation of statistical crime information that will be included in the campus' Annual Security Report.

It is the policy of the SWOSU to ensure that victims and witnesses to crime are aware of their right to report criminal acts to the police, and to report University policy violations to the appropriate office (e.g., student conduct violations to the Office of Dean of Students). However, if a reporting person requests anonymity, this request must be honored to the extent permitted by law. Accordingly, no information should be included on this form that would personally identify the victim without his/her consent.

SWOSU Campus Police will use this form to determine the category of crime and location under which the crime should be reported according to the requirements of the Clery Act. Please forward this completed form to:
SWOSU Campus Police Department via campus mail or fax (561) 774-7116

Unusual Occurrence Incidents

- Also known as incident reports
- An incident is "any event that is not consistent with the routine operation of a healthcare unit or routine care of a patient" (Perry and Potter 2005)

What is an unusual occurrence report. How to write occurrence report.

CONTRACTOR shall promptly submit to COUNTY a written report, in such form as may be required by COUNTY of all accidents which occur in connection with this Agreement. Registry Operator will either (A) implement the mitigation measures described in its Name Collision Occurrence Assessment before activating any second-level domain name, or (B) block those second-level domain names for which the mitigation measures as described in the Name Collision Occurrence Assessment have not been implemented and proceed with activating names that are not listed in the Assessment. ACCIDENT PREVENTION This provisions applicable to all Federal-aid construction contracts and to all related subcontracts. Disaster Out If prior to the Closing Time there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence of national or international consequence or any law or regulation which, in the opinion of any of the Agents, seriously adversely affects, or involves, or will seriously adversely affect, or involve, the financial markets or the business, operations or affairs of the Corporation and its subsidiaries taken as a whole, then such Agent shall be entitled, at its option and in accordance with Section 10(e), to terminate its obligations under this Agreement and the Debenture Documentation by written notice to that effect given to the Corporation at any time at or prior to the Closing Time. Reporting of Non-Force Majeure Events Each Party (the "Notifying Party") shall notify the other Parties when the Notifying Party becomes aware of its inability to comply with the provisions of this Agreement for a reason other than a Force Majeure event. Quality- and Cost-based Selection. Notwithstanding the foregoing, notification, cooperation or information provided under this Article shall not entitle the Party receiving such notification to allege a cause for anticipatory breach of this Agreement. Accidents If a death, serious personal injury or substantial property damage occurs in connection with CONTRACTOR's performance of this Agreement, CONTRACTOR shall immediately notify Mendocino County Risk Manager's Office by telephone. The Parties agree to cooperate with each other and provide necessary information regarding such inability to comply, including the date, duration, reason for the inability to comply, and corrective actions taken or planned to be taken with respect to such inability to comply. You, Your employees, and agents will cooperate fully with Us and all insurers providing insurance under this Agreement in the investigation and defense of any claims. Name Collision Occurrence Management 6.1. No-Activation Period. This report must include the following information: (1) name and address of the injured or deceased person(s); (2) name and address of CONTRACTOR's sub-contractor, if any; (3) name and address of CONTRACTOR's liability insurance carrier; and (4) a detailed description of the accident and whether any of COUNTY's equipment, tools, material, or staff were involved. Particular Methods of Procurement of Consultants' Services 1. Registry Operator shall not activate any names in the DNS zone for the Registry TLD (except for "NIC") until at least 120 calendar days after the effective date of this agreement. You will promptly deliver to Us any documents served or delivered to You, Your employees, or Your agents in connection with any claim or proceeding at law or in equity begun or threatened against You, Us, or both You and Us. Material Occurrences Immediately notify Agent in writing upon the occurrence of: (a) any Event of Default or Default; (b) any event, development or circumstance whereby any financial statements or other reports furnished to Agent fail in any material respect to present fairly, in accordance with GAAP consistently applied, the financial condition or operating results of any Borrower as of the date of such statements; (c) any accumulated retirement plan funding deficiency which, if such deficiency continued for two plan years and was not corrected as provided in Section 4971 of the Code, could subject any Borrower to a tax imposed by Section 4971 of the Code; (d) each and every default by any Borrower which might result in the acceleration of the maturity of any Indebtedness, including the names and addresses of the holders of such Indebtedness with respect to which there is a default existing or with respect to which the maturity has been or could be accelerated, and the amount of such Indebtedness; and (e) any other development in the business or affairs of any Borrower or any Guarantor, which could reasonably be expected to have a Material Adverse Effect, in each case describing the nature thereof and the action Borrowers propose to take with respect thereto. Except as otherwise provided in paragraph 2 below, consultants' services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection. Accident Reports If any of the Equipment is damaged, lost stolen, or destroyed, or if any person is injured or dies, or if any property is damaged as a result of its use, maintenance, or possession, You will promptly notify Us of the occurrence, and will file all necessary accident reports, including those required by law and those required applicable insurers. Registry Operator may allocate names (subject to subsection 6.2 below) during this period only if Registry Operator causes registrants to be clearly informed of the inability to activate names until the No-Activation Period ends. Transportation of Accident Victims Transportation to the nearest physician or hospital for employees requiring medical care as a result of an on-the-job accident shall be at the expense of the Employer. Name Collision Occurrence Assessment 6.2.1 Registry Operator shall not activate any names in the DNS zone for the Registry TLD except in compliance with a Name Collision Occurrence Assessment provided by ICANN regarding the Registry TLD.
