According to Disney, the sequel reported \$150 million. USD internationally, up 4% from the first film at current exchange rates. The total amount is 330 million. USD. Would it be the third film of the year to survive, with China and Russia surpassing \$1 billion worldwide, or roughly \$124 million? USD of approximately 124 million It may be difficult, but it is not impossible. The \$500 million option is completely credible on the domestic front (that would be at least a 2.7 multiplier), and another \$500 million overseas would be about \$58 million with the two MIA markets original. It would be another story if the public didn't like the movie, but the positive reviews suggest that Wakanda Forever will miss the previous MCU games this year (multiples of Madness and Love and Thunder were 2, 2 or 2.3). As for the rest of the box office, there's not much to fear except for \$10 million.Hollywood avoided publishing anything important not only this weekend, but also on the previous two weekends. When the black panter was opened in 2018, there was no box office open on the same weekend, but Peter Rabbit and fifty tons of freedoms were on the second weekend, and they were second and third with \$ 17.5 million and \$ 17.3 million respectively. . The amount this weekend was \$ 287 million, compared to \$ 208 million this weekend. Remove the \$ 22 million difference between the two black panter films, and there is still a \$ 57 million difference between these two weekends. The difference may not be so big if the films that surpass big cash records are increasing revenue, but as we have seen in recent months, the contrast becomes even sharper when the middle-class films cover the total cash register revenue. Wakanda, who had a difficult post-summer season, remained in second place forever with only \$ 8.6 million. Despite the fact that competition at the end of the fourth week destroyed cash records, their number did not fall completely and a total of 53% fell by \$ 151 million. It is about \$ 352 million worldwide and is not a big hit based on \$ 200 million. Nevertheless, the best movie from a quiet place, but Wakanda Forever is about to pass it at any time. The quiet place on the fourth weekend fell by 29% of \$ 6.1 million and took third place, as well as one of the most profitable seasons of the season, as well as one of the few bright places this year for adult films. National Friday USD 56.5 million in fourth place, sixth weekend USD 3.2 million and USD 40.8 million, which is 5% fall from Lyle, Big, Crocodile), n is no surprise that this is the only family movie In Turkey. Sunday and four-story quiet place (\$ 11.4 million). Nevertheless, although many international markets are not yet open, a total of \$ 72.6 million is low, taking into account the \$ 50 million budget. It was in the quiet place that ranked in the top five was the biggest drop in the weekend so far by 42%. A million seventh weekend. Of course, with a budget of only \$ 20 million, domestic revenue is \$ 103 million and a horror movie with a profit worldwide at \$ 210 million. March 7, 2023 - 07:48 UTC (UTC).
