Jass falls in love with Mahie who wants to marry an oil, then he lies to her and says he has no family, and finds himself in hilarious situations when he has to hide the truth once they get married. Stream in HD Download in HD admin - July 1, 2018 0 You have no recently seen pages Story: Carry on Jatta doesn39@ t on revolve around just one or two characters, but involves each and every character in history. The confusion begins when Jass (Gippy Grewal) lies to Mahie (Mahie Gill) about her family so that she agrees to marry him and somehow Honey (Gurpreet Ghuggi) has to be the part of Jass's lie. Although they say that the lie has no pãOm besides Jass's and Honey having to follow in the footsteps of their lie and continue to tell lies just to hide one. Review: After Jilne Mera Dil Luteya, Gippy Grewal turned into a smiloless hero packed into Mirza-The Untold Story and the film received only a decent response. But with Carry on Jatta, Gippy Grewal took back his comic and fun side. This time he has a superb supporting cast, the comical giants like Gurpreet Ghuggi, Binnu Dhillon, Jaswinder Bhalla, B.N. Sharma, Rana Ranbir and by last, but not least Karamjit Anmol. Romantic© © the most preferred game for Punjabi films today and Carry on Jatta realizes this flawless preference. As they say don't look at logic all the time, sometimes the motto is entertainment. The crew of this film definitely followed the motto of the And he managed to do it. Continue jatta is the kind of that doesn't even have to be taken seriously © river does not serve any good social message. But serves the purpose that the public was expecting from their title and promos, which © Fun and entertainment. Just like enjoying a fan © Laughing, seeing and having favorite foods are just for fun, Carry on Jatta takes you through © It's such fun for a full two and a half hours. Smeep Kang, the film director did a wonderful job with the sequence of the story and scene. Being an actor himself understands the requirements of establishing each character in the story for the reason he/she was chosen. With his incredible directional work on Carry in Jatta, he contributed to raising Punjabi films to a high scale. Most of the characters in the film have already proven their medallion in Punjabi cinema, in fact, they have done so since the last few years. Gippy Grewal has given one of her best performances since she started contributing to Punjabi films. Mahie Gill too © m it se em s that she is fitting comfortably into the Punjabi films after her success in Bollywood films. Gurpreet Ghuggi, Binnu Dhillon, Jaswinder Bhalla, B.N. Sharma, Rana Ranbir, Karamjit Anmol, Anshu Sawhney, all these characters were completely involved in the story as well. © m and the whole cast succeeded in making their mark. We don't need to talk too much about Carry's music in Jatta because most of your songs are already beating around. Songs like Phulkari, Carry on carry on Jatta, Marjawan and Sweetie can be heard being played everywhere, whether on TV channels, on cars or even on people's cars. The background music as well © m m © very situational and © adequate at every moment. Other perspectives © Cinematography, screenplay and dialogue techniques © They're very well looked after. So there are very few loop integras in the movie to discuss, but too much to enjoy too © m. Everything at a l l leave your minds at home, forget about the logics just enjoy the entertainment and it continuar a entretã-lo atã© ao fim, com toda a certeza. Os pontos mais fracos do filme estã© nos primeiros 20-30 minutos, onde hã trãs a quatro canães numa sucessã© rãpida e a histãria nã© se levanta durante esse tempo. Mas depois dessa parte fraca, o filme continua a levantar-se e a divertir-se e a partir daã, pode-se parar de rir atã© ao fim. Embora o clãmax pareãa um pouco mais esticado do que o necessãrio, mas mesmo assim nã© perturba o tema por muito.
