Hi Mike, I haven't been on this board very long, so please excuse any mistakes I'm supposed to make. mwilloug@tds.net hours: Hercules engine parts??? mwilloug@tds.net-destinatario final: RFC822

mywilloug@tds.net Action: 5.1.1. Parts of the Hercules engine??? Appreciated... Prover the news group better than what said yours looked like. As I learned about these multi-cylinder engines, I pasted this information into the website under the name. This A was several years ago and I can't remember what I replaced them. Activate and hold the button to confirm that you are human. You need reconstruction spare parts - piston rings, piston bearings, gaskets, valve springs, etc. I need a Hercules HX suction manifold for double-draft carbohydrates. Hi Mike, I've been off the line for 4 days and I wanted to let you know in case you answered and couldn't find me. Thanks to you too Alan, however. I work for AUTO PARTS NAPA and everything for this Paticular Hercules (WXC3) A engine is obsolete with Napa & Our parts on Suppliers.... Hi Mike, I have a Diamond T 1946 with an Ercole Model Chjxe 6 flat head cyl. Please let me know. I could have just cleaned it up and reused it. Bay Engine and Parts 1640 Evans Ave San Francisco, CA 94124 415-826-7400 tons of Hercules parts in our car parts shop Napa. ask Hernaldo Re: Hercules Engine Parts??? Most likely you have the parts of the Hercules engine by now. I have a trojan loader with the online 6 motor erculesi in it if anyone has any information abot the Trojan loader, please contact me or I was Beable to get a king head gasket: Hercules engine parts??? Some Taken one? I have a web page dedicated to them. I'd like to know how you did. I collect the motors of the single Hercules cylinder made in Evansville, Indiana from 1914-1934. It was a sweet racing engine but surely loved the IL gas. The engine was not bad at all, what I did A` really good result. I had a Lincoln 400 amp surplus welder powered with a JXD Hercules. Servel A` was acquired around 1946 by the former 2000 Washer Company which had changed its name to Whirlpool and A` still in business today doing appliances. Hello, I am new to this site, for parts of Hercules, Jerry Biro in Newark Ohio A` probably the best, even for rings I went to Hastings and had everything necessary in stock, car of Egge in California? It happened a few years ago, but before that I was taking the pieces for them from the industrial engine desk of Jasper Engines, Jasper Indiana. Try www.kanter.com, if it doesn't work, try mil-Veh.org's board of directors. the oil pan seal can be reused with a little help from some silicon sealer, but the old head seal A` beyond salvation ... They built the industrial multi-cylinder engines and remained in business Until 1999, OK, good luck, Jim Murray ahrensjim@hotmail.com Re: Parts of the Hercules engine??? A: Thank you guys.. Keith Re: Thank you guys.. Aren't they aware of when they started and would they be interested in any historical information about them, in particular some cars used the Hercules engine? Any information. If you still need it, let me know... I can probably "put together" a set of piston rings but I desperately need new bar bearings (the originals were badly burned when the previous owner decided to start the engine with diesel fuel in the crankcase to "clean out", surprisngly the old main bearings and crankshaft are still "as good as new")... Call Hercules Engine Components 2770 South St. They were acquired by Servel and went on to produce refrigeration components. This is what I used and since I was doing a valve job and cleaning the hole, it seemed right to do the ring job. If I couldn't find one, I'd definitely use these. JERRY BIRO PO BOX 206 206 43037 740-745-1475 Fax 740-745-2475 A` the king of the engine parts Hercules Re: Hercules Engine Parts??? - 4 1/4 "bore") ... Hercules Bugy Company Built Engines of the Single Cylinder Open Flywheel Hit and Miss Style under the name of the company of the Hercules engine up to halfA` In the 1930s, I finally got a set, but four pistons with cast iron and two pistons with chrome top rings. They had bar pads. In the previous post on the history of Historcules, there was some confusion of two different engine companies. George Arthur Eakwards King: Gyhy's Guys.... You had to talk to the Jasper location, the regional sales offices for their rebuilt automatic motors knew nothing about industrial things. Thank you! Try a different method are located in northern Alabama and I am trying to locate the Source (s) parts for the Hercules Model "WXC3" engine (6 cyl. Thank you for answering They just bought all the blue rights and prints from Hercules and are producing them now. (Powers an ancient / metA` 40's (?) Military light plant) Arthur Edwards Re: Parts of the Hercules engine??? Massiglio, Ohio 44646 330-830-2498. A` that these engines were all exported. I always wondered if the bronze bearing shells were original. My crankshaft was real. M and M Surplus sells parts of Hercules. The water came down exhausted and messed up the valves. I have a lot of inquiries from people who want information and parts of the company Hercules Motor was located in Canton, Ohio. The second car company Hercules has built and still builds multicylinder engines for a wide range of applications, as posts in this thread shows. I had to pull my head out to get the valves out, so I pulled out my base and put rings and bar bearings. I think I finally found mogol's federal pads. They bought parts of Hercules since ww2. If all else Make a Google search for the Hercules engine.
